Aloha from Hawaii

Dear Mr. Weisberg,

Enclosed is a money order to cover the cost of 2 copies of FRAME-UP, 2 copies of PHOTOGRAPHIC WHITEWASH, plus the postage and insurance. I would appreciate it very much if you'd autograph each copy after the preface.

The amount of $3.50 should cover the total cost. If it doesn't, let me know what I owe and I'll send it along shortly.

As for the Zapruder film, you didn't give me any specific course of action. You did mention Penn Jones, but he is someone with whom I am totally unfamiliar. Did you mean for me to contact him, or did you intend to do so?

Wherever the copy is to come from,

I think the name of Harold Weisberg would obtain better results than a soldier stationed in the Pacific.

I want a copy very much and I'll do whatever yall think is best.

Sincerely,

Tom Meros
